

Redbud Run PTO

Fund-Raiser Begins

Start today to help our PTO raise funds to purchase the remaining items on our teachers' "wish list."

Parents can help by ordering items for your own use and taking orders from friends, relatives, neighbors, and co-workers. If everyone helps, we will reach our goal. Children should not sell door-to-door. These are truly items you will be proud to deliver to your friends, relatives, neighbors, and co-workers!

Please collect when you take the order. Please do not collect sales tax. Make checks payable to "Redbud Run PTO". Use a ball-point pen and press down as you fill out the multi-part order form. Please double check prices and catalog numbers as you take orders and double check your math as you total the order and collect from your customer. Place payment and all copies of the order form in the prize envelope and fill out all the requested information.

Send order and money to school in the envelope by March 5.

Early order = ok.

Late order = no order!

Include child's name, grade, teacher's name, parent's name and phone in the appropriate blanks on the order form and envelope. Items will be back in time for Easter.

Please double check your order form, envelope, and money for accuracy and legibility!
