In-Hand Direct Sell Candy Program for January-July 2007

subject to change without notice

Candy, Welch's Fruit Snacks, Carousel pops, -mix/match to suit your needs. *If you have questions, please call us for the answers.*

Case counts are shown in the chart below as Cs.Ct. for each brand. Bracket 4 quantity is the minimum order.

Some single brand cases contain two or 4 carriers. 4/40 or 4x40 means breaks into four 40-count carriers.

A case count of 4/40 means that there are 4 40-bar carriers per master case.

NOTE: Candy manufactureres no longer manufacture a 50-cent size product.

Candy manufacturers' special promotions may increase your profits.

Some candy items may have coupons for free candy at convenience stores or fast food restaurant discounts.

PROFIT BRACKETS:
apply to all items:

- Bracket 1, 50% profit
- Bracket 2, 48% profit
- Bracket 3, 45% profit
- Bracket 4, 40% profit

When mixing and matching, call for a quote. For a quick estimate, find the number of bars in each bracket, add up the total bars you want to order, and use the highest numbered bracket for that number of bars among all the brands you are ordering.

Note that Hershey product is now ordered by individual carrier rather than master cases for all except Reese Cup.

Our most popular products are the One Stop Candy Shop from M&M/Mars, the Candy Shop Max from Hershey, the straight packs of M&Ms (with peanut selling twice as well as plain) and the straight packs of Reese Cup and Kit Kat from Hershey

You may request a delivery week. Deliveries may be made 7 working days or more after order date or you may order in advance for a specific week. No cancellations after order is shipped. Candy is non-returnable except in the event of defect or error by our shipping warehouse. Freight is added to all orders, but a discount is offered for free freight if paid within invoice terms on school purchase orders. Freight is free on all prepaid orders. If located in VA, supply a sales tax exemption form to avoid paying state sales tax. Items may be mixed to achieve minimums or price brackets. See information in left sidebar. When combining 50c and \$1 single brand cases, please call for a quote on bracket pricing. When combining single brand and variety cases on one order, please call for a price quote. A close approximation may be made by using bar count averaging.
